Nothing

Provide hospitality

Provide hospitality

Nothing

Overall very well

Improve the medical practicals regularly.

They should be communicative enough to know that everyone is understanding what they want to convey in class !

The way of teaching is good and it can be improved more

Everything is fine .

Provide Hospitality and teaching staff is good

I think our institute should start giving practical knowledge/experience to the students, more exposure of the hospital and by taking monthly exams

All teachers are best ,

Practical examination of patient should be included more

...

No improvement needed

Use more technology & graphics

No improvement needed

To provide hospitalization

The teaching quality is very good and can be improved more

No improvement is needed all is best

More leaning through projector or e classes .

It's great actually 👍

No suggestion

Teaching practically not only therotically

Monthly tests should be taken.

Our all teaching staff is very good ...

-----

Well nothing to improve its doing great in itself

Try to reach every student and ask for their doubts.

Improve the practicals knowledge

Practical knowledge

Reduce tutorial and record books fees

Smart teaching

Over all teching staff is good and quality of teching is also good

Decrease college time

All teacher and staff are very helpfull they gave guide to us to learn satisfactory

practical skiils

Nothing else

No need to improvise

No need to improve

It's nice

Overall teching staff is good

Teaching quality is good but can be improved

Utilize letest technology for improve teaching skill

All teching staff is good

Overall good

More Improvement in practical knowledge

Overall very well

Overall very good

Try to give us clinical knowledge thank you

Very well !

Improve ict stool

Nothing

No suggestions

Weekly test

-

Nothing

The teaching process in the college is in developing state so it should be developed as fast as possible

I don't have any suggestions

Good 👍

My suggestion for teachers is to always solve the doubts of students regarding their studies

As I know the faculties are good enough to teach. In my institute all my respected sir's and madam are having good experience and knowledge in their respected subjected! They all are doing their best for us. THANK YOU 😊

Teaching with an examples for better understanding

The teaching is good.

Want digital board in every class

It is in developing stage

They have to learn that students are not the machine they need to have some time to do some thing. But it is not teachers fault whole education system in India is bad I hate it.

Under progress

College should conduct more class tests

Make them to speak loud and clearly and teach us by practical way

Overall teaching skill is very good but try to interact with students.

Overall teaching skill is very good but try to interact the students to solve their doubts.

Overall teaching skills is very good but to interact with students doubt.

Overall experience is good

Modern method and practice

Most knowledgeable teachers but do not teach proper way

Teacher are good but teaching method is not beneficial to student

Improve quality of teaching lectures in our instituent

Teacher is good

"The library provides quiet study spaces, additional group study rooms would accommodate collaborative learning better."

My suggestion for teachers to always solve the doubts of students regarding their studies

My suggestion for teachers is to improve teaching

Overall is good

Always solve student problem.

Need to improve all teaching facilities

No need of improvement

Making some digital improvements

No need to improvement suggestions they've an excellent experience in it

everything is pretty impressive

I request to all staff members and non staff members please If necessary support students because every is sincerely followed all rules and regulations of college... thanks u

Very good but teachers should more communicate with the students

Does not want any improvement...

Slightly improvement is needed

Improve practical base learning

One to one communication on weekly basis

No suggestion

More improvement for teaching

Solve the students problem

Paper discussion of the terminal papers

All subject teacher provid

Digital board in every class

Learning experience is excellent

Good no improve need teacher. Need improve student

Improvement everything

The teaching way should be effective

Flipped Teaching

Including technology more

Encourage paper discussion

Everything is okay

Slightly improvement

Good teaching staff needed

Students focus on the study
