- Enlarge the knowledge of societal issues and problems and to search solution by getting involved with their lives.
- The skills developed include social skills communication skills, leadership skills, analytic skills, perceptual skills.

The NSS Cell of our college has been doing a number of activities with an objective to sensitize students towards social issues and challenges, making them sensitive with the motto 'Not me but you' and thereby make drastic changes in their overall life style and attitude towards society.

With high spirits our college is working dedicatedly to bring maximum social good and we plan to do more activities every year and benefit the society.
