

Internal Quality Assurance Cell [IQAC]

* IQAC Vision :-

To ensure quality culture as the prime concern for the Higher Education Institution through institutionalizing and internalizing all the initiatives taken with internal & external support.

* Objectives :-

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To Promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

* Functions :-

1. Parameters for various academic and administrative activities of the institutions.
2. Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching & learning process.
3. Collection and analysis of feedback from all stakeholders on quality-related institutional-process.

4. Dissemination of information on various parameters to all stakeholders.
5. Organization of inter and intra institutional workshops, seminars on quality related and promotions of quality circles.
6. Documentation of various programmes / activities leading to quality improvement.
7. Acting as a nodal agency of the Institute for co-ordinating quality-related activities including adoption and dissemination of best practices.
8. Development and maintenance of institutional database.
9. Preparation and submission of the final Quality Assurance Report as per guidelines and parameters of NAAC.
