CIRCULAR

Dear faculty and staff, as part of our ongoing commitment to fostering growth and development within our institution. I am pleased to announce the commencement of our Mentee-Mentor allotment process. Through this initiative, mentors will be paired with mentees to provide guidance support and encouragement in their academic and personal pursuits.

Our aim is to facilitate connections that promote learning and professional advancement.

Thank you for your cooperation and dedication to nurturing a supportive learning environment.

All Students, Teachers, and Staff, We are pleased to introduce **Interactive Learning Sessions** that will utilize technology and multimedia tools to create a more engaging learning experience for slow learners.

- These sessions will involve the use of educational apps, interactive videos, quizzes, and simulations to simplify complex concepts. Students will benefit from a hands-on approach to learning, where they can visually explore and understand subjects at their own pace.

Participation: All slow learners are encouraged to attend. Teachers are requested to assist in facilitating these sessions and recommending students for participation.
